

Thinking about going solar?

An employer-driven campaign to make solar cheaper and easier for employees in WNY

This campaign is being led by the members of the **WNY Sustainable Business Roundtable**, a group of 75 employers from across the region.

If you are an employee of a WNY SBR member, you are **eligible to receive a reduced rate on a solar installation** at your home **between August 30, 2017 and February 28, 2018.**
